Membership Database

inTennis lets you administer personal information quickly and easily. The membership management option automates tasks such as membership subscription, renewal, fee tracking, reports and much more.

Email & SMS Messaging

inTennis' built-in Email and SMS text messaging tool lets you stay in touch with your clients easily and instantly. You can send lesson cancellation notices, payment reminders, or special announcements to your clients. SportLogic has partnered with a leading Australian SMS gateway provider to bring you a simple and cost-effective messaging solution.

Business Reporting

inTennis has a comprehensive set of reports which provide useful information about your business. These reports include coach activities roster, court usage analysis, coaches' weekly schedule and payment history summary, just to name a few.
